

OK HitchHikers

Keystone State Park - July 9-12

The News:

Nine rigs traveled to Keystone State Park. In attendance were the Barratieres, Callahans, Griffins, Johnsons, Marshs, Maxwells, Rileys, Tuckers and Rowe. The Wemmers attended as guests. The Rileys and Maxwells were hosts. Wednesday night several couples ate hamburgers in Mannford at OJ's. Debbie and Carolyn drove their cars on Thursday and took the ladies to a clothing store outlet where they met Jean Bouse and friends. They all met for lunch at Charlie's Chicken. Thursday night everyone ate at Pier 51 at Keystone State Park. On Friday Jean took several of the ladies to a peach orchard and "several stops" on the way back. Friday evening we ate in Mannford and had a wonderful buffet with prime rib, frog legs, shrimp, chicken and all the trimmings. Then it was on to Discoveryland where we saw OKLAHOMA. It was warm (actually I was told hot), but an enjoyable program. Several members mentioned that the sound system was much better

than TEXAS. The potluck was held Saturday noon. Delbert and Jean Bouse joined us for the potluck. John Riley spoke Sunday morning on Opportunity & Preparedness. A little bird told me that John and Debbie did such a fantastic job in preparing for our visit to Keystone that next month a motion will be brought before the Club to make the Rileys our "official" permanent hosts.

A good time to keep your mouth shut is when you're in deep water.

Business Meeting:

The minutes from the June newsletter were approved and Lou Ann reported the treasury balance is \$1,837.96. Ron Griffin inquired about our donation to the Diabetic Association. The question was tabled until November when the Club will decide on a charity to support. After discussion it was decided to remove Floyd's as a sponsor from our web site.

Sit down Drewman but don't wake Dennis up!

Why is it that at class reunions you feel younger than everyone else looks?

I've reached the age where the happy hour is a nap.

Birthday:

Martha Marsh August 15

The trouble with bucket seats is that not everybody
has the same size bucket.

Remember in Prayer:

Inez and Cliff, Shirley, Lu, Ann Hopkins, Pete and Emiline, Doyle Rowe. Let us remember all those Club members traveling this summer.

Do you realize that in about 40 years, we'll have thousands
of old ladies running around with tattoos?
(And rap music will be the Golden Oldies!)

Barry, it does not appear that Lu Anne is buying what your selling!
